

# Main Street at Preston Street

## Existing Conditions

- 1. 4 lanes of traffic in one direction encourage high speeds.
- 2. Less visible crosswalk markings.
- 3. Undefined parking spaces along the corridor.
- 4. Unprotected bike lane adjacent to high-speed traffic.

# Main Street at Preston Street

## Proposed Improvements

- 1. 2-way traffic slows vehicles traveling along roadway.
- 2. Proposed parking protects the dedicated cycle track.
- 3. Enhanced intersection markings and lighting improves pedestrian safety.
- 4. Proposed TARC stop platform.
